COLLEGE ENRICHMENT
& OUTREACH PROGRAMS

High School Equivalency Program (HEP)

Services Provided

HEP is a federally funded program designed to assist qualified individuals to obtain their General Educational Development diploma (GED) through intensive classes and tutoring services. Therefore we the HEP team believes by offering the following service the participants will be more focus in getting their GED:

- **Classes-** In English & Spanish
- **Tutoring-** In English & Spanish
- **GED Test fees-** Official & Retakes
- **Stipends-** up to \$1000.00
- **Academic Workshop**
 - Test Taking Skills
 - Career Exploration
 - Post- Secondary Education
- **Culture Events**
- **Academic Supplies**
 - Binder with school supplies
 - GED books
- **Eye Exam fees**
- **Eye Glasses costs**
- **UNM or CNM ID card**
- **Childcare** - offered for Spanish GED classes

Additionally, we will work with other organizations and agencies to provide our students additional supportive services as needed. We are sure that our services and the hard work of our participant s will lead them successful completion of the GED, further their education, get a better job and have better opportunities in their lives.
